Dear Members and Supporters,

### GIVE YOUR CHILD A SOUND CHRISTIAN EDUCATION

As you know, education is, in reality, a parent responsibility. During the past few generations this responsibility has been turned over to a secular State; our public educational system has become humanistic and materialistic in its nature, and is inconsistent with our Christian philosophy of life.

For several years, STOP & CARE have been investigating various ways of ensuring that school-age children of Christian parents may receive a sound education that is God honouring. Our investigations have led us to a programme of learning based on a Biblical philosophy, individually prescribed self-instructional curriculum, and an advanced system of motivated learning. This educational programme, available from Accelerated Christian Education (A.C.E.) is designed so that it will not be financially prohibitive. It will provide character training for children on a full-time basis and an academic education for school-age and post-school-age students, at least equal or superior to that of government education.

To meet the challenge of Christian education, STOP & CARE have formed a subsidiary - A.C.T.S. (ASSOCIATION FOR COMMUNITY TUTORIAL SERVICES) - whose aim is to establish and underwrite the establishment costs of centres of Christian learning using the A.C.E. programme. Each centre should readily become financially viable in its own right. The first ACTS-sponsored academy will open in Woody Point on 1st February, 1983 to meet the educational needs of students locally in a Christ-centred environment, with dedicated Christian supervisors in a spiritual atmosphere. Details regarding the Woody Point Community Academy and forms relative to the commencement of the Academy for completion by interested people comprise the bulk of this STOP PRESS.

We have a vision of sponsoring many similar centres of Christian learning in Queensland in the coming years, and look forward to your support and God's blessing in this venture. Please complete the following questionnaire and return it to us at your convenience.

Yours in His service,

Rona Joyner

# Academy plan

The Peninsula will soon have an independent academy for primary and secondary students.

The academy, to be known as the Woody Point Community Academy, will begin operations on February 1.

It will be an independent academy on an interdenominational basis with a Christian curriculum.

The academy will be run by the Association for Community Tutorial Services, which was formed in October last year by parents interested in the community.

A spokesman for the association said the academy would provide tutors for full-time students and also for students requiring coaching.

"There will even be a little tertiary tuition available in different areas such as computer programming," the spokesman said.

Hours of the academy will be from 8 a.m. till 6 p.m.

The spokesman said the academy was concerned about the unemployment situation and decided to extend the hours to aid other people.

"We are keen to aid people who are unable to get a job they wish because of a lack of a particular skill."

Intake would be limited to 50 or 60 full-time students, but the spokesman said the association was prepared to expand.

A public meeting will be held this Friday night at the Humpybong Yacht Club, Woody Point, starting at 7.30 p.m.

Slides, showing the type of schooling and planned programming, will be presented and questions on the academy will be answered.

Woody Point Community Academy is being opened up in February for primary and secondary students.

The Academy will use the Accelerated Christian Education (ACE) curriculum and is independent and interdenominational.

A public meeting is being held on Friday evening, January 21 at 7.30 p.m. in the Humpybong Yacht Club at Woody Point.

Interested parents are invited to come and hear about the school.

## A Christian's Viewpoint

by Bill Barnes of Brisbane Christian Fellowship

How do we find rest???

I wonder how many New Year resolutions were made to try to find a greater rest or peace in the midst of 1983? The more we strive to find that peace, the further it appears to be away from us.

The Bible makes it quite clear to us that there is NO real rest or peace outside of our Lord Jesus Christ. Jesus is recorded in Matthew 11:28&29 as saying "Come unto Me all who are weary and heavy laden, and I WILL GIVE YOU REST. Take my yoke upon you, and learn from Me, for I am gentle and humble in heart, and you shall find rest for your souls."

There appears to be a contradiction in this statement of our Lords. First He tells us to come to Him and He will give us REST, but then He talks about taking His yoke

which speaks of work, particularly when we consider how they are used on a bullock team. But what Jesus was saying is that His REST does not mean idleness or escape from reality, but the continuing to live in this world yoked to Him - the head bullock if you like. The head bullock in a bullock team is the one who takes the main strain and sets the direction for the others.

It's as we learn to depend on Jesus in every area of our lives and commit all our anxieties and worries over to Him, that we experience His rest and peace. Our lives need to be yoked to Him, but they need to be yoked also to our brothers and sisters in the Lord in the midst of His Body. For as a bullock team pulls together with one objective and in one direction so we are to be in His church. Hebrews 10:24&25 tells us to encourage one another to assemble together as we see the DAY of the Lord drawing near - This is such a time.
